

Oberhofer - Gold

Tom: G
Intro: Dbm Bm Dbm Bm

Oh I don't know, where I stand
I hope you got my note
Buried in the sand

And girl I hope you're alright, 'cause girl I know, I know ya
Inside, outside, inside, outside

Ah-whoa-oh-oh-oh, inside-outside
And girl I hope you're alright, 'cause girl I know, I know ya
Inside, outside, inside, outside

Ah-whoa-oh-oh, girl, take me home

Oh, I know we'll grow, we'll grow
Oh, I hope we'll grow, we'll grow, we'll grow

I hope you noticed
That I'm in love
You could get any, anything you want
And oh I am running away
I hope you're running too

You shine like gold
You shine like gold
You shine like gold, like gold, oo-oo
You shine like gold, like gold, oo-oo

Uh-uh!
(E Dbm Ab E)

And now I'm walking on dead land
I can feel the heat in my hand
And oh I'm falling away

I hope you'll stay

You shine like gold
You shine like gold
You shine like gold, like gold, oo-oo
You shine like gold, like gold, oo-oo
You shine like gold, like gold, like gold, like gold
You shine like gold, like gold, ooooooooooh

You shine like gold
You shine like gold
You shine like gold
You shine like gold

You shine like gold
You shine like gold
You shine like gold
You shine like gold

You shine like ooooo
You shine like ooooo
You shine like ooooo
You shine like ooooo

You shine like ooooo
Oh oh oh ooooooooooh
Oh oh oh ooooooooooh
Oh oh oh ooooooooooh

Oh oh oh ooooooooooh
Oh oh oh ooooooooooh
Oh oh oh ooooooooooh
Oh oh oh ooooooooooh ooh ooh ooh ooh ooh
