

Ocie Elliott - I Got You, Honey

tom:

D (forma dos acordes no tom de A)

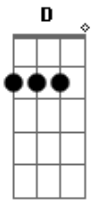

Capostrate na 5ª casa

I have no record of brighter days
 Your light is on me, I can say
 I have no part, I have no lines
 But I have you, and you have me, honey

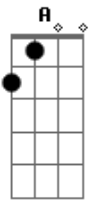

Water's wet and light is light

Got upset and now I'm doing fine
 When I come home, when I calm down
 I have you, and you have me, honey
 Summer breaks, winter storms
 I don't mind getting on
 As we're going, living, glad to be
 Well I'll have you, and you'll have me, honey
