

Ócio - No One

Tom: E
Intro: B

B
I was told I've been staring at it so hard that it went from white to blue

B
No idea what they're talking about but I know it cannot be good

B
Oh you know who, I bet, I bet you know who that all along was just faking that flu

B
I told you, told you not to cough in my face but the truth is that it feels good

B
Shake it, shake it from head to toe 'till you can't digest your food

B
Tell me, tell me what's your favourite pain but I can feel it when I look at you

G **Gbm** **B**
I've asked around, I've been asking around but all that they can give me is the truth

G **Gbm** **E**
They say: Hang on for a while, hang on for a while, I will see what I can do

G **B**
But no one looks like you

G **B**
But no one looks like you

G **Gbm**
But no one looks like

B
Show me, show me now your favourite wound if it's the way to

get me inside of you

B
C'mon baby now love me so rough 'till I can hardly move

G **Gbm** **B**
I got in this queue, world's full of these queues but no one's queuing for you

G **Gbm** **E** **Gbm**

E
And when I say I see your face everywhere, we both know it cannot be true

G **B**
'Cause no one looks like you

G **B**
No one looks like you

G **B**
No one looks like you

G **B**
No one looks like you

G **Gbm**
But no one looks like

(**B** **A**)

B **A**
What is taking you so long?

B **A**
What is taking you so long? (So long)

B **A**
What is taking you so long? (So long)

B **A**
What is taking you so long? (So long)

B **A**
What is taking you so long? (So long)

B **A**
What is taking you so long? (So long)

B **A**
What is taking you so long? (So long)
