

Odair José - Lembranças

Tom:

Intro: G Cm

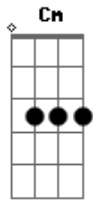

Eu me sento na varanda do quintal
 Pra lembrar do tempo que passou
 Uma vida onde sonhos eu vivi
 Tanta coisa que eu ainda não esqueci
 Eu agora vejo tudo diferente
 Eu agora simplesmente posso recordar
 Esse mundo é passado, não mais existe
 Eu fico triste que vontade de chorar

Outras crianças estão correndo
 Pelo caminho onde eu corria
 Estão brincando, fazendo coisas que eu fazia
 A minha infância está distante desse mundo
 Que eu perdi felicidade existia e eu nem vi
 Minha mãe agora está mais velha
 Meu pai cansado já não procura por ela
 Desejo morto de um grande amor que não tem fim
 Tudo isso são lembranças
 De um passado que existe em mim
