

Of Monsters and Men - Hunger

Tom: A

(com acordes na forma de Capotraste na 2ª casa G)

You were right, i'll move on

But my lungs feel so small

I couldn't breathe if i tried

I lay my head on the floor

My beating heart wanted more

But i'll keep it in and keep you out

I'm drowning, i'm drowning

I'm drowning, i'm drowning

Interlúdio: C7 G D (2x)

Guitarra 2

And for the longest time i knew

There was nothing left for us to do

But i tried, oh i try

And in this quiet company

There is nothing staring back at me

I'm in need of a sound

Hungry for the kill

But this hunger it isn't you

Voices disappear when you are speaking in sombre tunes

I will be the wolf and when you're starving you'll need it too

Hungry for the kill

But this hunger it isn't you

It isn't you, it isn't

Interlúdio: C7 G D (2x)

Guitarra 2

I grew tall to fill the void

Let me go because you are just a shade of what i am

Not what i'll be

But in this quiet company

I forgot sometimes just how to breathe

Fill my lungs with a sound

Hungry for the kill

But this hunger it isn't you

Voices disappear when you are speaking in sombre tunes

I will be the wolf and when you're starving you'll need it too

Hungry for the kill

But this hunger it isn't you

It isn't you, it isn't

Ponte: Em G C7 (4x)

I'm drowning, i'm drowning

I'm drowning, i'm drowning

I'm drowning, i'm drowning

I'm drowning, i'm drowning

I'm drowning, i'm drowning
