

# Of Monsters and Men - Hunger

Tom: A

(com acordes na forma de Capostrate na 2ª casa G )

You were right, i'll move on  
 But my lungs feel so small  
 I couldn't breathe if i tried  
 I lay my head on the floor  
 My beating heart wanted more  
 But i'll keep it in and keep you out  
 I'm drowning, i'm drowning  
 I'm drowning, i'm drowning

Interlúdio: C7 G D (2x)

Guitarra 2

And for the longest time i knew  
 There was nothing left for us to do  
 But i tried, oh i try  
 And in this quiet company  
 There is nothing staring back at me  
 I'm in need of a sound

Hungry for the kill  
 But this hunger it isn't you  
 Voices disappear when you are speaking in sombre tunes  
 I will be the wolf and when you're starving you'll need it too  
 Hungry for the kill

But this hunger it isn't you  
 It isn't you, it isn't

Interlúdio: C7 G D (2x)

Guitarra 2

I grew tall to fill the void  
 Let me go because you are just a shade of what i am  
 Not what i'll be  
 But in this quiet company  
 I forgot sometimes just how to breathe  
 Fill my lungs with a sound

Hungry for the kill  
 But this hunger it isn't you  
 Voices disappear when you are speaking in sombre tunes  
 I will be the wolf and when you're starving you'll need it too  
 Hungry for the kill  
 But this hunger it isn't you

It isn't you, it isn't

Ponte: Em G C7 (4x)

I'm drowning, i'm drowning  
 I'm drowning, i'm drowning  
 I'm drowning, i'm drowning  
 I'm drowning, i'm drowning  
 I'm drowning, i'm drowning  
 I'm drowning, i'm drowning
