Tom: G

(essa batida da introdução continua por quase toda a música)

G C  
Oh I miss the comfort of this house  
Where we are, where we are  
Where we are, where we are  
G C  
The floor under our feet whispers out  
come on in, come on in, where it all begins

C G (x2)

G C  
The tallest man I've ever seen afloat  
On a boat, on a boat  
On a boat, on a boat  
G C  
He keeps his only son close by  
In a bag, in a bag  
In a bag on his back

G C  
Can you chase this fire away?  
G C  
Can you chase this fire away?

C G (x2)

G C  
We climbed up to the top in worn out shoes  
G C  
but she ran down, she ran down

She ran down to the house

G  
A fox that gains our trust  
C  
but then breaks it as he walks  
G C  
away from us, away from us

G C  
Can you chase this fire away?  
G C  
Can you chase this fire away?  
Em C G  
In the fall we sleep all day  
Em C G  
In the fall we sleep all day

G  
Where we are, where we are  
C  
Where we are, where we are  
G  
Where we are, where we are  
C  
Where we are, where we are

G C  
Can you chase this fire away? (where we are, where we are -  
where we are, where we are)

G C  
Can you chase this fire away? (where we are, where we are -  
where we are, where we are)

Em C G  
In the fall we sleep all day (where we are, where we are -  
where we are, where we are)

Em C G  
In the fall we sleep all day (where we are, where we are -  
where we are, where we are)

Em C G  
La la la la la la la la la la la la la la (8x até terminar a  
música)
