

# Of Monsters and Men - Organs

Tom: Bb

(com acordes na forma de Capotraste na 10ª casa)

I am sorry this is always how it goes  
 The wind blows loudest when you've got your eyes closed  
 But I never changed a single color that I breathe  
 So you could have tried to take a closer look at me  
 I am tired of punching in the wind  
 I am tired of letting it all in  
 And I should eat you up at spit you right out  
 I should not care but I don't know how  
 So I tape up my face  
 Cause it reminds me how it all went wrong  
 And I pull out my tongue  
 Cause it reminds me how it all went wrong

I am sorry for the trouble I suppose  
 My blood runs red, but my body feels so cold  
 I guess I could swim for days in the salty sea  
 But in the end, the waves will discolor me

So I tape up my face  
 Cause it reminds me how it all went wrong  
 And I pull out my tongue  
 Cause it reminds me how it all went wrong  
 And I cough up my lungs  
 Cause they remind me how it all went wrong  
 But I leave in my heart  
 Cause I don't want to stay in the dark

Ooh, ooh ooh ooh  
 Ooh ooh ooh ooh ooh ohh  
 Ooh, ooh ooh ooh  
 Ooh ooh ooh ooh ooh ohh

So I tape up my face  
 Cause it reminds me how it all went wrong  
 And I pull out my tongue  
 Cause it reminds me how it all went wrong  
 And I cough up my lungs  
 Cause they remind me how it all went wrong  
 But I leave in my heart  
 Cause I don't want to stay in the dark
