C F
I am sorry this is always how it goes

C Dm Am F
The wind blows loudest when you've got your eyes closed

G
But I never changed a single color that I breathe

C F
So you could have tried to take a closer look at me

C F
I am tired of punching in the wind

C F
I am tired of letting it all in

Dm Am F
And I should eat you up at spit you right out

G
I should not care but I don't know how

Am G
So I tape up my face

C F
Cause it reminds me how it all went wrong

Am G
And I pull out my tongue

C F
Cause it reminds me how it all went wrong

C F
I am sorry for the trouble I suppose

C F
My blood runs red, but my body feels so cold

Dm Am F
I guess I could swim for days in the salty sea

G
But in the end, the waves will discolor me

Am G

So I tape up my face

C F
Cause it reminds me how it all went wrong

Am G
And I pull out my tongue

C F
Cause it reminds me how it all went wrong

Am G
And I cough up my lungs

C F
Cause they remind me how it all went wrong

Am G
But I leave in my heart

C F
Cause I don't want to stay in the dark

Am G
Ooh, ooh ooh ooh

C F
Ooh ooh ooh ooh ooh ohh

Am G
Ooh, ooh ooh ooh

C F
Ooh ooh ooh ooh ooh ohh

Am G
So I tape up my face

C F
Cause it reminds me how it all went wrong

Am G
And I pull out my tongue

C F
Cause it reminds me how it all went wrong

Am G
And I cough up my lungs

C F
Cause they remind me how it all went wrong

Am G
But I leave in my heart

C F
Cause I don't want to stay in the dark
