The sea said goodbye to the shore so the sun wouldn't notice **Bbm**  
**Gb** **Db**  
The seaweed that wrapped its arms around you  
**Db** **Bbm**  
The carpet on my cheek feels like the fall grass  
**Gb** **Db**  
and I run through the tall trees with your hand chasing me  
**Db** **Bbm**  
The books that I keep by my bed are full of your stories  
**Gb**

**Db**  
That I drew up from a little dream of mine a little nightmare  
of yours  
**Db** **Bbm**  
To be asked to take this plunge to forgive and forget  
**Gb** **Db**  
and be the better man, to be a better man, to be a better man  
**Db** **Bbm** **Gb**

**Db**  
So love me mother, and love me father, and love my sister as  
well  
**Db** **Bbm**  
The cat's silhouette as big as a monster  
**Gb** **Db**  
In this concrete jungle with street lights hanging their heads

**Db** **Bbm**  
So make all your last demands for I will forsake you  
**Gb**

**Db**  
and I'll meet your eyes for the very first time, for the very  
last  
**Db** **Bbm** **Gb**  
So love me mother, and love me father, and love my sister as  
well  
**Db** **Bbm** **Gb**  
So love me mother, and love me father, and love my brother as  
well  
**Db** **Bbm** **Gb**  
So love me mother, and love me father, and love my sister as  
well  
**Db** **Bbm** **Gb**  
So love me mother, and love me father, and love my brother as  
well  
**Db** **Bbm** **Gb**  
I met a man today and he smiled back at me  
**Gb**  
Now there are thoughts like these that keep me on my feet
