

Of Monsters and Men - Slow Life

Tom: F

What are they talking about?
 On the weekend
 Lost in the forest of this heart
 There's a forest in
 Why are they shaking their heads?
 We're stuck in slow life
 Is it the beating of the chest
 That makes us feel the rest

Dm C Gm Dm

We're slowly sailing away
 Behind closed eyes
 Where not a single ray of light
 Can puncture through the night

Bbm
 You called me in a tide
 And I called you
 Sheltered by the night
 You saw me in your light
 And I saw you
 Sheltered by the night

Dm
 Between the daylight
 And the deep sea
 Lies a swarm of silhouettes
 Floating endlessly
 But I'm a mountain
 I am a killer

Gm
 You'll get lost very deep
 Dm
 If you swim with me

Bbm
