I'm waiting for the snow **C**  
 I'm waiting for a vision **Am**  
 So I can feel brighter **C**  
 I can feel lighter **Am**  
 I used to make mountains **C**  
 But then they grew bigger than me **Am**  
 I thought that I'd climb my way up high **C**  
 But what if I tumble? **Am**  
 Have I said too much? **Dm**  
 Did I love too hard? **C G**  
 This steel can't carry me now **Dm**  
 That things are rough **C G**  
 I used to make mountains **C**  
 But then they grew bigger than me **Am**  
 And I used to hunger **C**  
 So what can you offer me? **Am**  
**C**

(What can you offer me?)  
 What can you offer me **Am**  
 When you are all symphony? **C**  
 What can you offer me? **Am**  
 Have I said too much? **Dm**  
 Did I love too hard? **C G**  
 This steel can't carry me now **Dm**  
 That things are rough **C G**  
 Have I said too much? **Dm**  
 Did I love too hard? **C G**  
 This steel can't carry me now **Dm**  
 That things are rough **C G**  
 (What can you offer me?) **C**  
 Now what can you offer me? **Am G**  
 (So what can you offer me?) **C**  
 Now what can you offer me? **Am G C**  
 This steel can't carry me **Am G C**  
 And you can't carry me, carry me **Am G**
