

Of Monsters and Men - Wild Roses

tom:

Intro: **D** **A** **E** **Gbm**
 Wild roses on a bed of leaves in the month of may

I think I wrote my own pain, oh don't you

(**D** **A** **Gbm**)

[Primeira Parte]

D **A** **Gbm**
 Down by the creek, I couldn't sleep so I followed a feeling

Sounds like the vines, they are breathing

And I've seen the way the seasons change when I just get it
 time

But I feel out of my mind all the time

[Pré-Refrão]

D **A** **Gbm**
 In the night I am wild eyed and you got me now

[Refrão]

D **A** **Gbm**
 Oh roses they don't mean a thing, you don't understand

But why don't we full on pretend, oh won't you

Before I close my eyes I saw a moth in the sky

And I wish I could find that high, oh don't you?

[Segunda Parte]

D **A** **Gbm**
 A serpent on a bed of leaves in the month of May

What do you want me to say?

That you keep me still when all I feel is an aimless direction

When I think I'm losing connection I see you

[Pré-Refrão]

D **A** **Gbm** **E**
 In the night I am wild eyed, and you got me now

Dim the lights, we are wild eyed, and you got me now

[Refrão]
