

# Ofenbach - Head Shoulders Knees & Toes (feat. Quarterhead & Norma Jean Martine)

tom:  
C

I feel it in my head, my shoulders, knees and toes  
Am

My bones  
G D  
Your music gets me through the highs and lows  
Am C  
My head, my shoulders, knees and toes

My bones  
G D  
You're keeping me from feeling all alone

I've been praying to a thousand different stars  
Am C  
To a thousand different arms till I found you  
G D  
I've been chasing 'bout a thousand different hearts  
Am C  
For a thousand million hours, now I've found you  
G D  
My nights will never be the same, the same again  
Am C  
I've got you running through my veins  
G D

I feel it in my head, my shoulders, knees and toes  
Am C

My bones  
G D  
Your music gets me through the highs and lows  
Am C  
My head, my shoulders, knees and toes

My bones  
G D  
You're keeping me from feeling all alone

Am C  
Oh oh oh

You're keeping me from feeling all alone  
G D Am C  
You're keeping me from feeling all alone  
G D  
You're keeping me from feeling all alone

Let me breathe you, take you down into my lungs  
G D  
While we're dancing to the song, now that I've found you  
Am C  
C You're a part of me, now I can't let you go  
G D  
You're the heartbeat in my soul, now that I've found you  
Am C  
My nights will never be the same, the same again  
G D  
I've got you running through my veins

I feel it in my head, my shoulders, knees and toes  
Am C

My bones  
G D  
Your music gets me through the highs and lows  
Am C  
My head, my shoulders, knees and toes

My bones  
G D  
You're keeping me from feeling all alone  
Am C  
Oh oh oh  
G D Am C  
You're keeping me from feeling all alone  
G D  
You're keeping me from feeling all alone

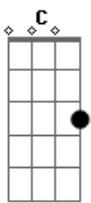

I feel it in my head, my shoulders, knees and toes  
Am C

My bones  
G D  
Your music gets me through the highs and lows  
Am C  
My head, my shoulders, knees and toes

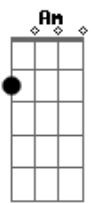

My bones  
G D  
You're keeping me from feeling all alone

Am C  
Oh oh oh  
G D Am C  
You're keeping me from feeling all alone
