

Ofenbach - You Don't Know Me (Feat. Brodie Barclay)

tom:

Intro: G D Em C

Take me to the place I used to run
 Remember the house where I was born
 Baby, you don't know me
 My baby, you don't know
 I'll show you all the stars I used to hide
 No one never seemed to realize
 But baby, you will know me
 But baby, you will know
 (G D)

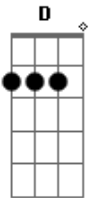

Baby, you don't know
 Baby, you don't know
 (G D)

Baby, you don't know
 Baby, you don't know
