

Off1cial_fireborn - Voices In My Head

tom:

Em

Em

I hear them talk

C G D
Voices walking into my thoughts

Em C
They won?t stop, they stay with me

G D
I just want them to be free

Em C
Some are loud, and some are low

G D
Some bring things I used to know

Em C
I don?t want to feel this way

G D
Hope they fade with each new day

[Refrão]

Am C
Oh, I try to let them go

G D
But they never leave me alone

Am C
Like the wind, they call my name

X2

Em C
Looking out at the falling rain

G D
Trying to wash away the pain

Em C

I don?t know what?s wrong or right

G D
But I?ll keep on holding tight

Em C
Some are loud, and some are low

G D
Some bring things I used to know

Em C
I don?t want to feel this way

G D
Hope they fade with each new day

[Refrão]

Am C
Oh, I try to let them go

G D
But they never leave me alone

Am C
Like the wind, they call my name

G D
I just want to feel okay

X2

(Refrão final)

Am C
Oh, I try to let them go

G D
Now they?re quiet, soft and slow

Am C
Like the wind, they drift away

G D
Now I know I?ll be okay
