I woke the other day  
 And saw my world has changed  
 The past is over but tomorrow's wishful thinking  
 I can't hold onto what's been done  
 I can't grab onto what's to come  
 And I'm just wishing I could stop, but

Life goes on  
 Come of age  
 Can't hold on  
 Turn the page

Time rolls on  
 Wipe these eyes  
 Yesterday laughs  
 Tomorrow cries

Memories are bittersweet  
 The good times we can't repeat  
 Those days are gone and we can never get them back  
 Now we must move ahead  
 Despite our fear and dread  
 We're all just wishing we could stop, but

Verse:

A C

Life goes on  
 Come of age  
 Can't hold on  
 Turn the page

PM . . . . .

F G

PM . . . . .

Time rolls on  
 Wipe your eyes  
 Yesterday laughs  
 Tomorrow cries

Chorus:

A C F G

Riff 1

With all our joys and fears  
 Wrapped in forgotten years  
 The past is laughing as today just slips away  
 Time tears down what we've made  
 And sets another stage  
 And I'm just wishing we could stop

Verse

Chorus
