

The Offspring - Cogs

Tom: A

Tuning: Standard

This is one of their early song from when they were calling themselves manic subsidal but you'll know that if you've got the greatest hits dvd, then they took the verse and used it in gotta get away so you should know the verse to that but if you don't i've added it hope you enjoy it.

Main Riff

Continued

Let that note hang

I,m not sure whether the first part is right so here's an alternative version just play the one you think is right.

Main Riff

Continued

Let that note hang

Verse

Thats it its a cool riff, obviously i don't kow the whole song but maybe its gave you an insight and just play it the way you think its right enjoy.
