The Offspring - Cross Roads

Tom: C - PM - ----PM----Haven't checked it from here on, take Neil's word for it! :) Key -PM- = Palm Mute the notes above the symbol Intro: (Do 4x) Play with Chorus: (Only easy part of song :) play x4) RTFF 1: Solo: (Play verse progression twice underneath) Bass riff 1A (I don't play bass, so I took it out, since it doesn't fit with the redone riff 1B.) Play the chorus, then go to Bridge 1: Guitar riff $1B\,$ - Neil originally had power chords, but I think Bridge 1: it's octaves instead. Mute the string in between with your index The bridge is mostly the verse chords, except they all have finger to play them. different endings. It's a real pain. Play Bass riff 1a, then guitar 1b, then bass 1a, then guitar Riff A 1b, then verse Riff B Verse: play 2x. You can either play the full 3-note power chord or just Now play that whole section x2 again with other lyrics the lower two notes - I can't tell exactly what Noodles is Then go to final part of bridge playing.
