-Lyrics-

In my own simple way
I think she wants me only
she said 'come over right away'
But she's just not that way
her little soul is stolen
see her put on her brand new face

Pull the shades, razor blades you're so tragic
Hate you so, love you more, so elastic
things you say, games you play, dirty magic I...

I should know better than
to think i'd reach inside her
it's all a cloudy kind of daze
she's not so sweet today
she mocks me, i'm no fighter
it always seems like such a waste.

it's oversimplified...
