-Lyrics-

In my own simple way  
I think she wants me only  
she said 'come over right away'  
But she's just not that way  
her little soul is stolen  
see her put on her brand new face

Pull the shades, razor blades you're so tragic  
Hate you so, love you more, so elastic  
things you say, games you play, dirty magic I...

I should know better than  
to think i'd reach inside her  
it's all a cloudy kind of daze  
she's not so sweet today  
she mocks me, i'm no fighter  
it always seems like such a waste.

it's oversimplified...
