When the truth walks away, everybody stays
Cause the truth about the world is that crime does pay
So if you walk away, who is gonna stay
Cause I'd like to think the world is a better place
When the truth walks away, everybody stays
Cause the truth about the world is that crime does pay
So if you walk away, who is gonna stay
Cause I'd like to make the world be a better place
When the truth walks away, everybody stays
Cause the truth about the world is that crime does pay
So if you walk away, who is gonna stay
Cause I'd like to think the world is a better place
I'd like to leave the world as a better place
I'd like to think the world
