go back to intro riff
Outro

A C D A Eb E F

When your feeling low,
Hypodermic's where you go.
When your with yourself,

You wish you could be someone else.

chorus
Can't you see like you saw anymore
Can't you feel like you felt before
Can't you face anything anymore
When lifes a waste run away, yeah...
your lifes a waste run away, yeah...
Run away yeah..

Once you get a ride
doesn't matter where you lied.
Once you shoot it in
doesn't matter who you've been cause... (back to chorus)

You're reaching in
but you don't know where to begin.
All your dance and song
won't matter when your gone...
