Lyrics: Leave it behind
Rage burns can't push it aside now
Can't forgive this grudge is alive now
All the rage eats you up inside
Can you leave it behind
What a surprise --
You're fucked with again Yeah
It's a way of life you need to get over
All the rage just eats you alive
Can you leave it behind
I don't know where it'll end
The sun has set
And I can't be friends
I don't know if I can forgive
The day is long
But you were so dead wrong

Beleza, essa música é muito loca, ofereço essa pro Kaueka,
ele ama Offspring!!
