Palm-mute

main riff

verse

chorus-1st time

for the second time, play the same as above but finish with:

for the third time, play the same as above but stop at the second arrow and play:

then play the rest

Lyrics:  
 Mota!  
 Everyday, well it's the same  
 That bong that's on the table starts to call  
 My name

I take a hit and zone out again  
 I'll be paranoid and hungry by a quarter to ten  
 Watching reruns on my TV  
 I'm laughing off my ass at Three's Company  
 I don't know if I'm understood  
 Buy hearing Jimmy Buffett never sounded so good  
 Your memory's gone and so is your life (your life)

Mota Boy  
 But losing out just never felt so right  
 Your enemy's you and so is your life (your life)  
 Mota Boy  
 But losing out might feel okay all night  
 Mota!

I'm driving down to the barrio  
 Going 15 miles an hour cause I'm already stoned  
 Give the guy a twenty and wait in the car  
 He tosses me a baggie then he runs real far  
 I take a hit but it smells like a clove  
 Oh fuck I got a baggie of oregano  
 This ritual is destroying me  
 But I guess it could be worse  
 It could be methedrine

Your memory's gone and so is your life (your life)  
 Mota Boy  
 But losing out just never felt so right  
 Your enemy's you and your couch is your life  
 (Your Life)

Mota Boy  
 But losing out might take  
 Losing out might take you all night  
 Mota!  
 Losing out might feel okay all night  
 Yeah losing out might feel okay all life  
 É isso aí, essa musica exige um pouco de agilidade,mas é facil!!  
 Um abraço a todos os meus amigos um beijo pra minha GI, Te amo!!!
