Palm-mute

main riff

verse

chorus-1st time

for the second time, play the same as above but finish with:

for the third time, play the same as above but stop at the second arrow and play:

then play the rest

Lyrics:
 Mota!
 Everyday, well it's the same
 That bong that's on the table starts to call
 My name

I take a hit and zone out again
 I'll be paranoid and hungry by a quarter to ten
 Watching reruns on my TV
 I'm laughing off my ass at Three's Company
 I don't know if I'm understood
 Buy hearing Jimmy Buffett never sounded so good
 Your memory's gone and so is your life (your life)

Mota Boy
 But losing out just never felt so right
 Your enemy's you and so is your life (your life)
 Mota Boy
 But losing out might feel okay all night
 Mota!

I'm driving down to the barrio
 Going 15 miles an hour cause I'm already stoned
 Give the guy a twenty and wait in the car
 He tosses me a baggie then he runs real far
 I take a hit but it smells like a clove
 Oh fuck I got a baggie of oregano
 This ritual is destroying me
 But I guess it could be worse
 It could be methedrine

Your memory's gone and so is your life (your life)
 Mota Boy
 But losing out just never felt so right
 Your enemy's you and your couch is your life
 (Your Life)

Mota Boy
 But losing out might take
 Losing out might take you all night
 Mota!
 Losing out might feel okay all night
 Yeah losing out might feel okay all life
 É isso aí, essa musica exige um pouco de agilidade,mas é facil!!
 Um abraço a todos os meus amigos um beijo pra minha GI, Te amo!!!
