

# The Offspring - Secrets From The Underground

Tom: G

Afinação: Eb Ab Db Gb Bb

**Eb**

**Am** **C**  
 Feel the way it grows when the words have left the mark  
**G**  
 With the promise of tomorrow,  
**D**  
 That tricks and leaves you in the dark  
**Am**  
 There's something in the air,  
**C**  
 And there's something rising up  
**G**  
 Not one but a million  
**E**  
 That have had enough

Refrão:

**Am**  
 Hey, oh, now  
**C**  
 I'm not good at going away  
**G**  
 I got something more to say  
**D**  
 Kick it, screaming, It knocks you down, it knocks you down  
**Am**  
 Hey oh, go,  
**C**  
 Underneath I'll tear you down  
**G**  
 Secrets from the underground,  
**E**  
 Anger starts so far

**Am**  
 This is not an anthem ,  
**C**  
 Or a threat in someone's name  
**G**  
 But a promise that tomorrow  
**D**  
 Will rock and burn, if things don't change  
**Am**  
 There's something in the air,  
**C**  
 And there's something rising up  
**G**

Not one but a million  
**E**  
 That have had enough!
