I'm seeing this girl, and she just Might be out of her mind
Well she's got baggage and it's all the emotional kind
She talks about closure and that validation bit
I don't mean to be insensitive, but I really hate that shit

and i say yeah yeah yeah

Oh man she's got issues
And I'm gonna pay
yeah yeah yeah
She thinks she's the victim
Yeah

Now I know she'll feel abandoned
If I don't stay over late
And I know she's afraid to commit

But it's only our second date

and i say yeah yeah yeah
Oh man she's got issues
And I'm gonna pay
yeah yeah yeah.
She thinks she's the victim
and she takes it all out on me

agora aquela parte:
I don't know why you're messed up
I don't know why your whole life is a chore

Just do me a favor
And check your baggage at the door
A mesma coisa na parte:
If you think I'm controlling
Then why do you follow me around
If you're not co-dependent
Then why do you let others drag you down

I don't know why you're messed up
I don't know why your whole life is a chore
Just do me a favor.

And check your baggage at the door.
