

Oficina G3 - Brasil

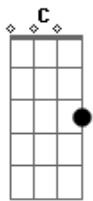

Tom: C

Autores: Junho Afram, Duca Tambasco e PG

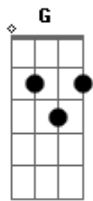

E ...
 Terra tão linda tão cheia de vida
 com suas florestas riquezas tão finas
 é a nossa terra pra gente viver
 pra gente lutar pra gente vencer
 terra tão bela mas cheia de dores
 da desigualdade e a falta de amor

(D F G F)
 Brasil, se volte pra Deus
 Brasil, abra os olhos para Deus
 E ...
 terra de homens sem coração
 que traz a miséria e a corrupção
 homens que ferem a terra da gente
 de um povo calado e indiferente
 lembra de Deus quando o tempo é mau
 depois se esquece e acha tudo normal
