Um farol nas esquinas da cidade
 A infância na marginalidade
 Sem família nas ruas a viver
 Mãos estendidas esperando receber
 Vidros fechados, gestos mudos do outro lado

(Em A D)
 (D Db B G)

Troca de olhares, indiferença, rejeição
 Mais um número, nesse mundo cão!
 Vidros fechados, gestos mudos do outro lado

(D E D E G)
 (D E B A G)

Vidros fechados
 Gestos mudos do outro lado

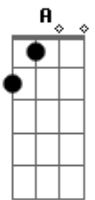

(D E D E G)
 (D E B A G E)

Os vícios, o crack, constantes ilusões
 De vidas banidas em meio as multidões
 A lei do mais forte, é o que rola pra viver
 Brincando com a morte sem Ter nada a perder

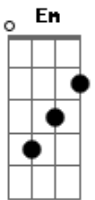

Vidros fechados, gestos mudos do outro lado

(Em A D)
 (D Db B G)

Abra o vidro do seu coração
 O amor gera atitudes
 Comece a agir, chega de falar
 Só com palavras não se pode mudar

Abra o vidro do seu coração

O amor gera atitudes
 Comece a agir, chega de falar

Só com palavras não se pode mudar
