

# Oh Wonder - Landslide

Tom: Gb

(com acordes na forma de C )

Capostrate na 6ª casa

Intro: Am G F C

I know it hurts sometimes but  
You'll get over it

You'll find another life to live

I know you'll get over it

I know you're sad and tired

You've got nothing left to give

But you'll find another life to live

I know you'll get over it

So when you're caught in a landslide

I'll be there for you, I'll be there for you

And in the rain, give you sunshine

I'll be there for you, I'll be there for you

And every time that you're lonely

Every time that you're feeling low, you should know

I'll be there for you, I'll be there for you

I'll be there for you, you know

Am G F C

I know your hope is heavy but  
You'll get over it

You'll find another life to live

I know you'll get over it

And I know you feel like everything

Is falling to the wind

But don't you let the thunder in

Cause I know you'll get over it

So when you're caught in a landslide

I'll be there for you, I'll be there for you

And in the rain, give you sunshine

I'll be there for you, I'll be there for you

And every time that you're lonely

Every time that you're feeling low, you should know

I'll be there for you, I'll be there for you

I'll be there for you, you know

You fell down by the wayside

Love locked in an overflow

And you threw stones at the starlight

Cause I stood on the sidelines telling you

That I get that you're lonely

And I see that you feel alone

But I heard in a heartbeat

I'll be there here for you, you know

So when you're caught in a landslide

I'll be there for you, I'll be there for you

And in the rain, give you sunshine

I'll be there for you, I'll be there for you

And every time that you're lonely

Every time that you're feeling low, you should know

I'll be there for you, I'll be there for you

I'll be there for you, you know

I'll be there for you, I'll be there for you

I'll be there for you, you know

I'll be there for you, I'll be there for you

I'll be there for you, you know

I'll be there for you, I'll be there for you

I'll be there for you, you know

And every time that you're lonely

Every time that you're feeling low, you should know

I'll be there for you, I'll be there for you

I'll be there for you, you know
