

Oh Wonder - Plans

Tom: C

F7M C F7M
 Made a home in a basement
 C F7M
 Didn't think that I'd need the light
 C F7M
 Cause all these plans I've been making
 C F7M
 Get me out of here in time

C F7M
 But it's always two steps backwards
 C F7M
 Too much gravity to feel the highs
 C F7M
 And all these plans I've been chasing
 C F7M
 Getting caught up and wasted

C Am
 I don't know where the money goes
 C F7M
 I get broke as the city glows
 C Am
 Shines bright as I sink down low
 C
 Down low

F F7
 But I've got plans to get to you
 Am
 You know, don't you know
 F F7
 Gonna build a paper plane to float to you
 Am
 You know, don't you know

Dm F7M
 We'll be scraping the skies with out fingertips
 Dm Am
 Screaming "This is the life, we were born for this"
 F F7
 See I've got plans to get to you
 Am
 You know, don't you know
 ~ F7M C

 C F7M

 C F7M
 Will get me out of here in time
