

# Oh Wonder - Plans

Tom: C

F C F  
Made a home in a basement  
C F  
Didn't think that I'd need the light  
C F  
Cause all these plans I've been making  
C F  
Get me out of here in time

C F  
But it's always two steps backwards  
C F  
Too much gravity to feel the highs  
C F  
And all these plans I've been chasing  
C F  
Getting caught up and wasted

C Am  
I don't know where the money goes  
C F  
I get broke as the city glows  
C Am  
Shines bright as I sink down low  
C  
Down low

F F7  
But I've got plans to get to you  
Am  
You know, don't you know  
F F7  
Gonna build a paper plane to float to you  
Am  
You know, don't you know

Dm F  
We'll be scraping the skies with out fingertips  
Dm Am  
Screaming "This is the life, we were born for this"  
F F7  
See I've got plans to get to you  
Am  
You know, don't you know
