Oh Wonder - Solo

Tom: C
Intro: Am C

  Am   C
A room filled up with faces and the air so thick I taste it
        Am   C
Locking lips like they all wasted, tangled hips like it's a
spaceship
Am   C
Heavy heads are racing down the hallways to the basement
         Am   C
Am
Where the darkness fills the space and they can feel
themselves erasing
        C
Can you feel yourself erasing?
        Am   C
They're bursting at the corners as the ceiling's getting
shorter
        Am   C
And I'm stuck between a talker and a VHS recorder
    Am   C
Am
The heat seeps through the border as our ice melts down to
water
        C
Can you feel it getting smaller?

             Am   C
I need to be solo
               Em   F
Freedom in the mono
                Am   C
Find a space and let go
             Em   F
I need to be solo, solo
        Am   C
Now I'm breathing in and I'm breathing out
Em   F
Breathing in and I'm breathing out
    Am   C
I'm breathing in and I'm breathing out
Em   F
Breathing in and I'm breathing out

      Am   C
Their mouths are dripping dryer as their souls are slipping
higher
         Am   C

It's like treading on a wire laced with kerosene and fire
    Am   C
The night will soon expire as their bodies soon retire
        Am   C
Limbs entangled in kaleidoscopes of prima donna choirs
Am   C
    Ahh, ahh, ahh, ohh, ohh, ohh, ohh

             Am   C
I need to be solo
               Em   F
Freedom in the mono
                Am   C
Find a space and let go
             Em   F
I need to be solo, solo
        Am   C
Now I'm breathing in and I'm breathing out
Em   F
Breathing in and I'm breathing out
    Am   C
I'm breathing in and I'm breathing out
Em   F
Breathing in and I'm breathing out

             Am   C
I need to be solo
             Breathing in and I'm breathing out
               Am   C
Freedom in the lie low
               Breathing in and I'm breathing out
                 Am   C
Find a space and let go
                 Breathing in and I'm breathing out
             Am   C
I need to be solo...   solo
             Breathing in and I'm breathing out
             Am   C
I need to be solo
             Breathing in and I'm breathing out
               Am   C
Freedom in the lie low
               Breathing in and I'm breathing out
                 Am   C
Find a space and let go
                 Breathing in and I'm breathing out
             Am   C
I need to be solo
Breathing in and I'm breathing out
