

# Oh Wonder - Ultralife

Tom: Eb

(com acordes na forma de C)  
Capostrate na 3ª casa

Lovesick the beat inside my head  
 Waves struck a sea of bitterness  
 Lights out solo in the blue  
 Before I found you  
 Days passed slowly, lost and low  
 You gave me hope and now there's only  
 Blood running in my veins  
 I've never been here before  
 And I got love falling like the rain  
 I never could've asked for more  
 I got so much soul inside my bones  
 Take a look at me now  
 I'm young forever in the sun  
 Ever since you came  
 I'm living ultralife  
 I'm living ultralife  
 I'm living ultralife  
 Turn down the voice inside my head  
 Cause heaven only knows  
 Why we feel this emptiness  
 But I will climb out, find another view  
 Now I've found you  
 Days passed slowly, lost and low  
 You gave me hope and now there's only  
 Blood running in my veins  
 I've never been here before  
 And I got love falling like the rain  
 I never could've asked for more  
 I got so much soul inside my bones

Take a look at me now  
 I'm young forever in the sun  
 Ever since you came I'm living ultralife  
 Ultralife with me, ultralife with me  
 Ultralife with me, ultralife with me  
 Found me on a basement floor  
 Back when I had lost it all  
 Told me what the fight was for  
 And I'm not giving up no more  
 You elevate the life in me  
 Illuminate the in-between  
 Forever gonna feel this free  
 And I'm not giving up now  
 Lovesick the beat inside my head  
 Waves struck a sea of bitterness  
 Lights out solo in the blue  
 Before I found you  
 Blood running in my veins  
 I've never been here before  
 And I got love falling like the rain  
 I never could've asked for more  
 I got so much soul inside my bones  
 Take a look at me now  
 I'm young forever in the sun  
 Ever since you came  
 I'm living ultralife  
 (Ultralife with me, ultralife with me)  
 I'm living ultralife  
 (Ultralife with me, ultralife with me)  
 We're living ultralife  
 (Ultralife with me, ultralife with me)  
 We're living ultralife  
 (Ultralife with me, ultralife with me)  
 N.C.  
 I'm living ultralife  
 (Ultralife with me)
