

# Oh Wonder - Ultralife

Tom: Eb

(com acordes na forma de C )  
 Capostraste na 3ª casa

Dm C G  
 Lovesick the beat inside my head

Dm C G  
 Waves struck a sea of bitterness

Dm C G  
 Lights out solo in the blue

Before I found you

Dm F C  
 Days passed slowly, lost and low

Dm F C G  
 You gave me hope and now there's only

Dm C  
 Blood running in my veins

I've never been here before

Dm C  
 And I got love falling like the rain

I never could've asked for more

F Am  
 I got so much soul inside my bones

G C  
 Take a look at me now

Dm C  
 I'm young forever in the sun

G  
 Ever since you came

Dm C G  
 I'm living ultralife

Dm C G  
 I'm living ultralife

Dm C G  
 I'm living ultralife

Dm C G  
 Turn down the voice inside my head

Dm  
 Cause heaven only knows

C G  
 Why we feel this emptiness

Dm C G  
 But I will climb out, find another view

Dm C G  
 Now I've found you

 Days passed slowly, lost and low
