

Oh Wonder - Ultralife

Tom: Eb

(com acordes na forma de C)
 Capostraste na 3ª casa

Dm C G
 Lovesick the beat inside my head

Dm C G
 Waves struck a sea of bitterness

Dm C G
 Lights out solo in the blue

Dm C G
 Before I found you

Dm F C
 Days passed slowly, lost and low

Dm F C G
 You gave me hope and now there's only

Dm C
 Blood running in my veins

Dm G
 I've never been here before

Dm C
 And I got love falling like the rain

Dm G
 I never could've asked for more

F Am
 I got so much soul inside my bones

G C
 Take a look at me now

Dm C
 I'm young forever in the sun

Dm G
 Ever since you came

Dm C G
 I'm living ultralife

Dm C G
 I'm living ultralife

Dm C G
 I'm living ultralife

Dm C G
 Turn down the voice inside my head

Dm C G
 Cause heaven only knows

C G
 Why we feel this emptiness

Dm C G
 But I will climb out, find another view

Dm C G
 Now I've found you
