

Oh Wonder - Whitout You

Tom: D
Intro: G Em7 Bm D
G Em7 Bm D

G
Step out into the sun
Em7
Skies above they radiate me
Bm
Lift up, carry the love
D
Do you know?

G
That I've been out of my mind
Em7
This slow life I'm waiting for you
Bm
To swing me all of your line
D
Do you know?

G
Since I've been walking solo
Em7
Dreaming you were back home
Bm
Hifi getting down low
D
Hide until tomorrow

G
Come back into the good life
Em7
Lose these hazy love lies
Bm
I've been chasing my mind
D
Lonely in the cold nights

G
Cause I'm kicking up stones without you
Em7
Can't pick up the phone without you
Bm
I'm a little bit lost without you
D
Without you

G
And I'm digging down holes without you
Em7
Can't be on my own without you
Bm
I'm a little bit lost without you
D
Without you

G
Step out into the dark
Em7
Where were you when I was trying
Bm
To lift up, carry the love
D
Do you know?

G
That I've been closing my eyes
Em7
Love me slow, hallucinating
Bm
Swinging me all of your light
D
Do you know?

G
Since I've been walking solo
Em7
Dreaming you were back home
Bm

Hifi getting down low

D
Without you

Em7
Hold me close when it's over
Bm
Life goes slow loving sober
Em7
Feel my bones getting older
D
Sadness grows when you're cold

Em7
Cause I am one step heavy and two steps high
Bm
Hold it steady with you by my side
Em7
One step heavy and two steps high
D
Two steps high
