Bm7
Everybody knows that
Cadd9
Life is what you make of it
Bm7
And now everything is perfect
Cadd9
But we're the ones who are struggling around

Bm7
Soon it will be daybreak
Cadd9
People posing questions are aroused
Bm7
When will you get married?
Cadd9
When will you go find a proper job?

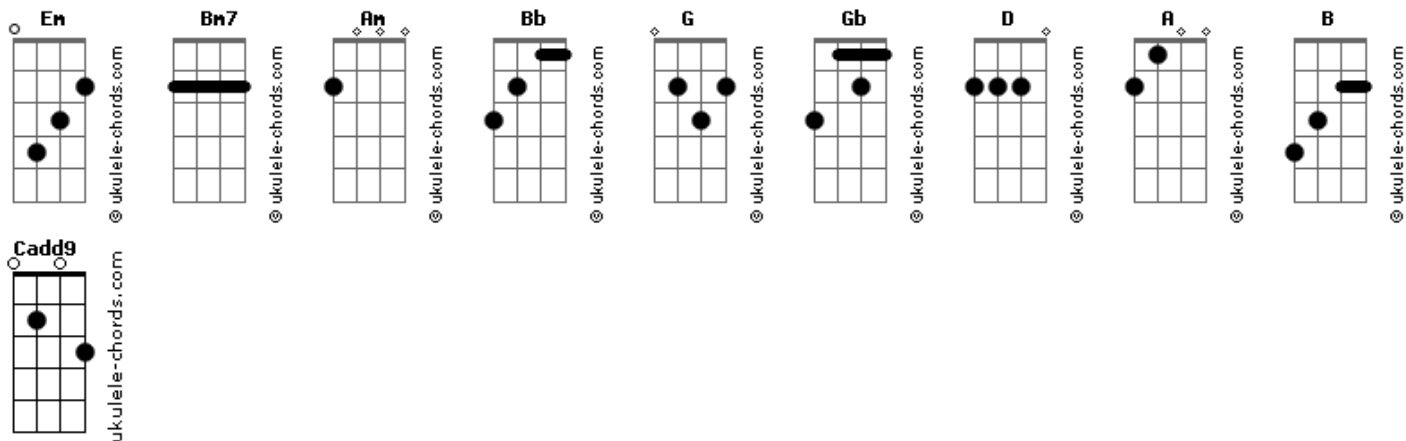

Bm7 Am
But in this life

We might not know where we're going
Bm7 Bb Am
We try to say the words they want to hear
Bm7 Bb Am
But it's only a lie to bide the time
Am
Before we move on own

Sentimental musings

Memories of a childhood that has passed

Bm7
When I was a young'un
Cadd9
Things were once like this
Cadd9
But now they're not

Bm7
How do you explain that
Cadd9
This map that we've chosen is unmarked?
Bm7
All we see is ocean
Cadd9
All directions are uncharted isles

Bm7 Am
But in this life

We might not know where we're going
Bm7 Bb Am
We try to say the words they want to hear
Bm7 Bb Am
But it's only a lie to bide the time
