

# Okay Kaya - Dance Like U

Tom: C  
Intro: C Ab F Dm  
C Ab Dm G

I spend most mornings trying to get over myself  
Most of my nights trying to get on to you  
I'm here in my room  
Up here in my room  
I have all of these questions to ask you

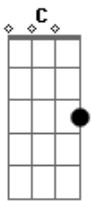

Like do you dance like you fuck  
Or do you dance like you make love  
Do you dance like you fuck  
Or do you dance like you make love  
Do you, do you, do you, do you

Do you, do you, do you, do you

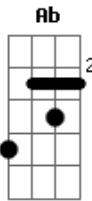

I spend most of my days trying to impress you with my thumbs  
Most of my nights fingering out how to  
Leave this room and come and find you, i have  
All of these questions to ask you  
And i see you

Like do you dance like you fuck  
Or do you dance like you make love  
Do you dance like you fuck  
Or do you dance like you make love  
Do you, do you, do you, do you  
Do you, do you, do you, do you
