tom:  
F (forma dos acordes no tom de E )  
Capostrate na 1ª casa  
Intro: B Gbm

[Primeira Parte]

Big brown eyes, and a gust of wind  
And the cherry burns the corner of the page that says  
"The end is coming soon," but not soon enough  
Restraining all your guitars, pack up all your stuff  
'Cause if Robert's dad is right  
We might not make it through the night  
And I'd hate to go alone  
Please pick up the phone

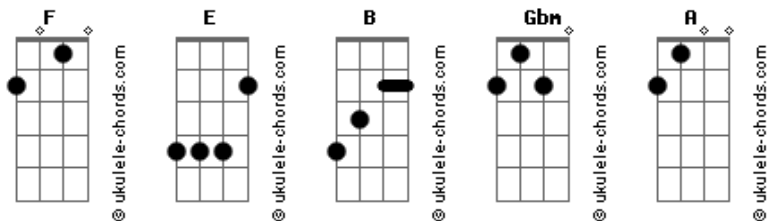

[Segunda Parte]

Well a box of red, and a pill or three  
And I'm callin' time and temperature just for some company  
I wish you were here, I wish I was too  
Well, I'll drink myself to sleeplessness, I always do  
You don't want me anymore  
Since fame and fortune broke down our door  
Well, you don't give me no respect  
Oh, what did I expect?

[Refrão]

And if that phone don't ring one more time  
Well, I'm gonna lose what's left of my mind  
You made a big impression for a girl of your size

## Acordes

Now I can't get by without you and your big brown eyes

[Terceira Parte]

Her hands are cold, her breath is warm  
She's a port, in a storm  
I'm worried now, but it won't be long  
Well, it takes a worried man, you know  
To sing a worried song  
An' I got issues, yeah  
Like I miss you, yeah  
And I wish I weren't so thick  
Well, I'm making myself sick

[Refrão]

And if that phone don't ring one more time  
Well, I'm gonna lose what's left of my mind  
You made a big impression for a girl of your size  
Now I can't get by without you and your big brown eyes  
Yeah, your big brown eyes  
Yeah, your big brown eyes  
Yeah, your big brown eyes
