

Old Crow Medicine Show - Big Sciota

Tom: G

I live by the river all my life
 And I don't know nothing but the lord is christ

(chorus)

Can't go home again I can't go home again
 East and west that highway roam
 Lord have mercy on my poor soul

Wish my blue eyed baby home
 My Pretty little blue eyed baby
 Thats it
 Then the rest of the words

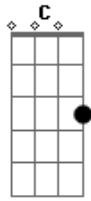

That rivers deep that rivers wide
 Devil stands an every side
 (chorus)

That pretty little girl I love so well
 She goes to heaven lord I go to hell
 (chorus)
