

Old Crow Medicine Show - We're All In This Together

Tom: **D**

(com acordes na forma de **C**)
 Capotraste na 2ª casa
 Capo 2nd fret

Key of **D**

The **F** chord should be barred

(**C**) Well my (**E**) friend I (**F**) see your face so (**C**) clearly
 (**Am**) Little bit tired little (**G**) worn through the years
 (**C**) You sound (**E**) nervous (**F**) you seem (**C**) lonely
 (**Am**) I hardly recognize your voice on the (**G**) telephone (**F**) (Chorus)

(The other verses and the chorus are the same as above.)

In between I remember
 Just before we wound up broken down
 Drive out to the edge of the highway
 Follow that lonesome dead-end roadside sound

Chorus:

We're all in this thing together
 Walkin' the line between faith and fear
 This life don't last forever
 When you cry I taste the salt in your tears

Well my friend, let's put this thing together
 And walk the path that worn out feet have trod
 If you wanted we can go home forever
 Give up your jaded ways, spell your name to God

All we are is a picture in a mirror
 Fancy shoes to grace our feet
 All that there is is a slow road to freedom
 Heaven above and the devil beneath

(Chorus)
