

# Ole 60 - Dust 2 Dust

tom:  
Am

She don't know what she wants Am  
 But it damn sure ain't what she needs G  
 She thinks I don't know the difference Am  
 Yeah, she's got me down on my knees G  
 Eyes like honey, cedar-brown hair Am  
 Don't get caught up in her stare G  
 Oh, I'm sure that she's Medusa Am  
 Getting stoned's something I'm used to C  
 So I'll act so unaware G D  
 Of these withdrawals Am  
 From something more than menthols C  
 Need you more than a late night call G  
 Or this alcohol at 2 a.m. D  
 Just another night sleeping on the floor again Am  
 I got a bad case of shivering sweats C

It's a night I won't remember, but I'm sure to regret G  
 I know the devil may care, but tell the preacher to pray for me D  
 'Cause I'm done Am  
 Playing your games C  
 If someone don't save me from your rubble G  
 I'm as good as dead D  
 But ash to ash and dust to dust Am  
 Oh, I can't explain C  
 The way you drive me insane G  
 I'm as good as dead now, honey D  
 But ash to ash and dust to dust Am  
 Ash to ash and dust to dust C  
 Oh, ash to ash and dust to dust G  
 ( C G D )  
 ( Am C G D )  
 Dust to dust
