

Ole 60 - Dust 2 Dust

tom:
Am

She don't know what she wants Am
 But it damn sure ain't what she needs G
 She thinks I don't know the difference Am
 Yeah, she's got me down on my knees G
 Eyes like honey, cedar-brown hair Am
 Don't get caught up in her stare G
 Oh, I'm sure that she's Medusa Am
 Getting stoned's something I'm used to G D
 So I'll act so unaware G
 Of these withdrawals Am
 From something more than menthols C
 Need you more than a late night call G
 Or this alcohol at 2 a.m. D
 Just another night sleeping on the floor again Am
 I got a bad case of shivering sweats C

It's a night I won't remember, but I'm sure to regret G
 I know the devil may care, but tell the preacher to pray for me D
 'Cause I'm done Am
 Playing your games C
 If someone don't save me from your rubble G
 I'm as good as dead D
 But ash to ash and dust to dust Am
 Oh, I can't explain C
 The way you drive me insane G
 I'm as good as dead now, honey D
 But ash to ash and dust to dust Am
 Ash to ash and dust to dust G
 Oh, ash to ash and dust to dust Am
 (C G D)
 (Am C G D)
 Dust to dust
