## **Oliver Anthony - I Want To Go Home**

tom: Bb (forma dos acordes no tom de G ) Capostraste na 3ª casa

Em7 Well, if it won't for my old dogs and the good lord G They'd have me strung up in the psych ward C 'Cause every day livin' in this new world D Is one too many days to me Fm7 Son, we're on the brink of the next world war G And I don't think nobody's prayin' no more С And I ain't sayin I know it for sure D I'm just down on my knees Beggin', lord, take me home G I wanna go home

G Grandson sells it to a man out of town C And two weeks later the trees go down D Only got concrete growin' around Fm7 And I wanna go home G I wanna go home C I don't know which road to go D It's been so long Em7 I just know I didn't used to wake up feelin' this way G Cussin' myself every damn day C People have really gone and lost their way D They all just do what the TV say Em7 G C D I wanna go home Fm7

People just doin' what the rich men say

Now four generations farmin' the ground

Em7 G C D

Em7

G

I wanna go home

Fm7 If it won't for my old dogs and the good lord I just know I didn't used to wake up feelin' this way G They'd have me strung up in the psych ward Cussin' myself every damn day

There's always some kind of bill to pay

I don't know which road to go

D It's been so long
