

# Oliver Tree - Cash Machine

tom:

Shiny like a limousine  
 You're spending like a cash machine  
 Smile, show your golden teeth  
 That's how you cover up your cavities  
 You're glowing like a diamond ring  
 I saw you bought some other things  
 You're spending like a cash machine  
 To cover up your insecurities  
 Don't front, no need  
 When is it enough?  
 How bad do you need that stuff?  
 What's it all for?  
 Why's it seem like you still want more?  
 When is it enough?  
 Turns out you don't need that stuff  
 What's it all for?  
 Why's it seem like you still want more?

Shiny like a limousine

You're spending like a cash machine  
 Smile, show your golden teeth  
 That's how you cover up your cavities  
 You're not fooling us all

Someone tell me something, shut up and take my money  
 I've got pockets full of gold, no I don't owe nothing  
 Stop acting funny, I've seen greedy people hungry  
 Up in swarms I've seen them running, coming for more

When is it enough?  
 How bad do you need that stuff?  
 What's it all for?  
 Why's it seem like you still want more?  
 When is it enough?  
 Turns out you don't need that stuff  
 What's it all for?  
 Why's it seem like you still want more?

Shiny like a limousine  
 You're spending like a cash machine  
 Smile, show your golden teeth  
 That's how you cover up your cavities  
 You're not fooling us all
