Tom: A  
Intro: E A D E

A D A  
Eu viajava de madrugada pela estrada

Pela janela eu avistava

A Luz de tantos carros passar

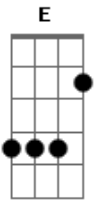

A D A  
E eu lembrava de tantas coisas da minha vida  
D A  
Da minha infância já esquecida  
D E  
De tanta gente e tanto lugar

A D A  
E eu pensava comigo mesmo o tempo todo  
D A  
Se tudo que fiz faria de novo

E se pudesse o que eu iria mudar  
A G  
A vida é louca, a estrada é longa  
F E  
E a gente corre e não quer chegar  
A C  
Por isso canto, pela viagem  
Bm A  
Tô de passagem e já vou chegar
