

Olivia Dean - Be My Own Boyfriend

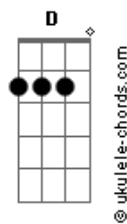

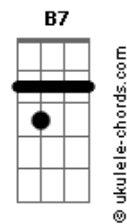

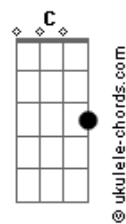

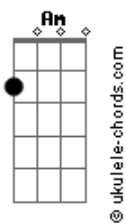

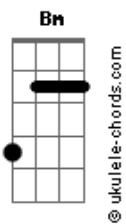

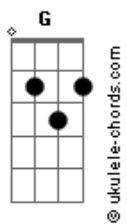

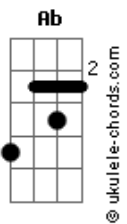

tom:
Capostrate na 1ª casa

Oh, I can't do this anymore
I don't wanna get involved, no
With all these men I'm so much better than
Maybe it's a little cold
But I think I could play the role 'cause
No one can love me the way I can
Catch me out in Paris on my ones
Stay up dancing 'til the dance is done
I got me, I don't need anyone (I don't need anyone)

Hold me close
Love myself the most
Lately, I've been just what I need
Stole my heart and I'm gonna be my own boyfriend
Be my own boyfriend
Lately, I've been just what I need
Be my baby, I'm
Gonna b? my own boyfriend

Oh, I could save myself th? stress
Wear the trousers and the dress, yeah

Acordes

Girl, you look so goddamn good tonight
And I say that with my chest
You and me could be the best
I can do whatever whenever the fuck I want
Hold me close
Love myself the most
Lately, I've been just what I need
Stole my heart and I'm gonna be my own boyfriend
Be my own boyfriend
Lately, I've been just what I need
Be my baby, I'm
Gonna b? my own boyfriend
Be my own boyfriend
Be my own boyfriend
Be my own boyfriend
I'm gonna be my own boyfriend
Be my own boyfriend
Lately, I've been just what I need
Be my baby, I'm
Gonna b? my own boyfriend
