

# Olivia Dean - Messy

tom:

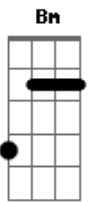

Intro: Bm A  
 Trying to make the shapes, you're dying to see  
 Always kept it tidy  
 Never really known the right shapes  
 If it goes you can let it  
 Its okay to regret it  
 I'm on your side  
 Don't need to be ready  
 It's okay if it's messy  
 I'm on your side  
 ( Bm A E7 )

Sometimes I dream of driving  
 In double yellow lining  
 And hitting seventy-one down the m25

Ignoring that noisy backseat driver

If it goes you can let it  
 Its okay to regret it  
 I'm on your side  
 Don't need to be ready  
 It's okay if it's messy  
 I'm on your side

 ( Bm A E7 )

Hmm

It's a little bit messy  
 It's a little bit messy  
 Little, little  
 I'm a little bit messy  
 I'm a little bit messy
